

Waa maxay neefta dabayluhu (Thunderstorm asthma)?

Duufaannada qaar waxay sababi karaan xash iyo boodh ka imaanaya cowska, waxayna sii deynayaan xasaasiyad kicin karta weerarrada neefta ee loo yaqaan neefta onkodka. Inkastoo aysan badnayn, way dhici kartaa inta lagu jiro xilliga uu cowsku leeyahay xash (sida caadiga ah inta u dhaxaysa bilaha Oktoobar iyo Diseembar).

Yaa halis ugu jira:

- Qof kasta oo qaba neef (qof hadda qaba neefta, hore usoo qabi jiray ama aan la aqoonsan inuu neef qabo).
- Qof kasta oo xilliga gu'ga qaba sanboor xilliyyada qaar ee sanadka kaca.

Neefta onkodka (Thunderstorm asthma) waxay noqon kartaa mid nafta halis gelisa

Ogow khataraha. U diyaargaroow
Amaan ahoow.

Wixii macluumaad dheeraad ah booqo
betterhealth.vic.gov.au/thunderstorm-asthma

Amaan ahow inta lagu jiro xilliga uu cowsku leeyahay xash

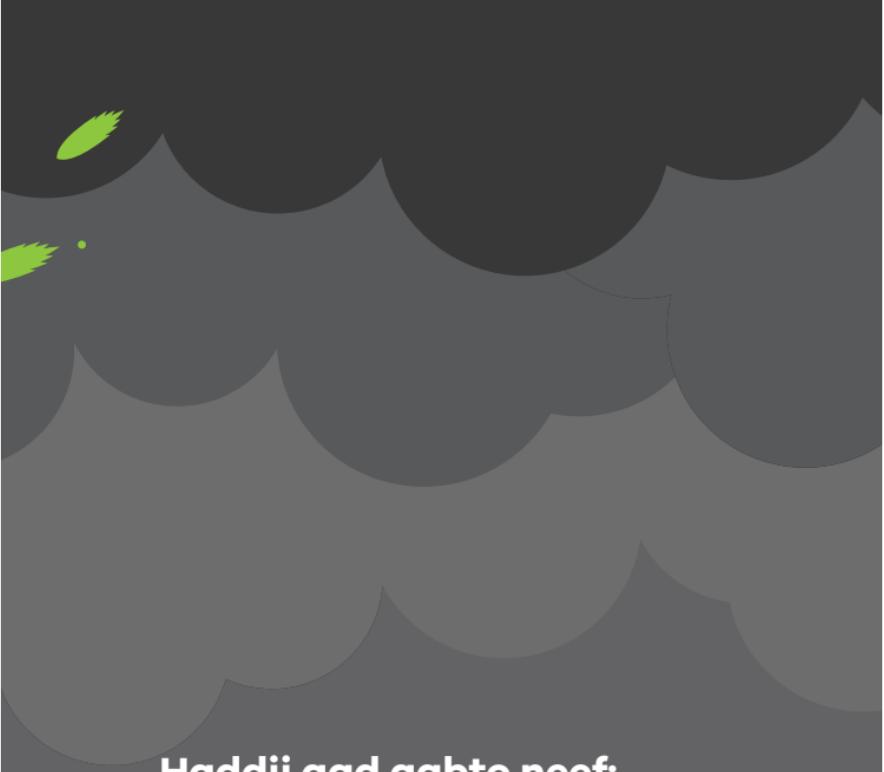

Waad yarayn kartaa fursada laga yaabo in neefta onkodka ay ku saameyso.

Iska ilaali onkodka inta lagu jiro xilligaan,
gaar ahaan markay jiraan dabaylaha
yimaada onkodka ka hor.

Gudaha gal, xir albaabada iyo dariishadaha,
oo demi mukeyfka gudaha guriga soo gelin
kara hawada ka timid banaanka (tusaale
mukeyfyada waaweyn).

Baro gargaarka degdega ah ee neefta, oo
hubi inaad fahansan tahay waxa loo baahan
yahay inaad samayso haddii adiga, ama
qof aad saaxiib tiihin ama qof ka tirsan
qoyskaaga, ay neef ku kacdo.

Si joogto ah ugala soco shabakada
VicEmergency ama app-ka saadaasha
neefta onkodka oo samee 'aagga lala
soconayo (watch zone)' si aad u hesho talo
iyo digniinaha khuseeya agagaarkaaga.

Haddii aad qabto neef:

- Si joogto ah ugu tag dhakhtarkaaga si aad u xaqiijiso in neefta aad qabto si wanaagsan loo xakameeyay, oo samee ama dib u eeg qorshahaaga loogu talagalay in lagu maareeyo xanuunka neefta.
- U qaado daawada ka hortagga sida lagu faray oo meel kasta oo aad aadeysyo u qaado daawadaada neefta.

Haddii aad sanboor qabto:

- Arag dhakhtarkaaga ama farmashiistahaaga si aad ugala hadasho daawayntaada ugu fiican iyo khatarta aad ugu jirto neefta onkodka.
- Baro gargaarka degdega ah ee neefta oo ogow halka aad ka heli karto dawooyinka neefta haddii loo baahdo. Kuwaan waxaa laga heli karaa farmashiyada iyada oo aan dhakhtar warqad kuu qorin.

Haddii aad u malaynayso in qof ay neef qabatay...

Talaabada 1-aad – Qofka u fadhiisi si toos ah.

Talaabada 2-aad – Rux aallada buluuga/cawlka ah ee daawada neefta, 1 mar ku buufi daawada neefta dhalada loo yaqaan spacer, kabacdina 4 jeer neefta ka qaado spacer ka. Ku celi tan 4 jeer.

Talaabada 3-aad – Sug 4 daqiiqo, oo ku celi tallaabada 2-aad haddii neefsashadu ku soo noqon waydo sidii caadiga ahayd.

Talaabada 4-aad – Haddii qofka neefsashadiisu ay ku soo noqon waydo caadi, wac nambarka saddexda ebar (000). Ku soo celi talaabada 2-aad 4-tii daqiiqaba mar intaad sugayso gurmadka.
